

Judovsko-krščanski viri in razsežnosti dialoga

Jewish-Christian Sources and Dimensions of Dialogue

Spoštovani,

v luči najnovejših epidemioloških okoliščin in protikovidnih ukrepov, ki jih je nedavno sprejela Vlada Republike Slovenije, smo se odločili, da bo mednarodni simpozij *Judovsko-krščanski viri in razsežnosti dialoga* v **celoti izveden v virtualni obliki**.

Simpozij bo potekal kot načrtovano, tj. **20. in 21. aprila 2021** na spletni platformi **Zoom**. Povezava do dogodka bo skupaj s programom posredovana naknadno, simpozij pa se bo v celoti tudi posnel. Udeleženci s svojo prisotnostjo soglašajo s pogoji snemanja simpozija za dokumentacijske in promocijske namene. Pogovorna jezika mednarodnega simpozija bosta slovenščina in angleščina.

V pričakovanju skorajšnjega druženja lepo pozdravljeni in ostanite zdravi!

Dear Sirs,

In the light of the current epidemiological circumstances and anti-epidemiological measures recently adopted by the Government of the Republic of Slovenia, we have decided that the international symposium *Jewish-Christian Sources and Dimensions of Dialogue* **will be conducted entirely in a virtual form.**

The Symposium will take place as planned from **20th to 21st April 2021** on the **Zoom** online platform. Zoom link, along with the program, will be provided later. The symposium will be recorded; by attending, the participants agree to the terms of recording the symposium for documentary and promotional purposes. The colloquial languages will be Slovene and English.

We look forward to welcoming you soon – and stay healthy.
