Multidisciplinary Approaches

10th PPHF International Spring School (March 18th-20th, 2026, Pécs, Hungary)

Have you ever thought about how many different approaches to peace there are? And how they are related to each other? Are you interested in how we can learn from the major conflicts of the 20th century so that our current conflicts can be moved toward reconciliation? Come and participate in the 10th PPHF International Summer School from March 18th to 20th, 2026, at the Theological College of Pécs in Hungary!

Students and teachers from Central Europe can apply through CEEPUS (<https://www.ceepus.info/>, until November 1st, 2025).
